About Us

Rajmudra Packaging is a Manufacturer, Supplier, and Exporter based in Pune, Maharashtra, India. Established in 2014, the company specializes in high-quality packaging solutions for various industries. We offer a wide range of products including Printed Laminates, Flat Pouches, Aluminium Foil, PET Laminates, Tagger Seals, and Shrink Sleeves. With a focus on quality, durability, and precision, Rajmudra Packaging is committed to delivering reliable packaging solutions that meet customer requirements and industry standards. Under the able leadership of our mentor and Proprietor, Mr. Yogesh Ingale, we have achieved a respected position in the market. His experience and guidance have enabled us to serve our clients with precision and commitment.

We are proud to introduce Rajmudra Packaging, an EN ISO 9001:2008 certified, GMP compliant, and DMF approved company specializing in rotogravure printed packaging materials such as aluminum foil, paper, LDPE & BOPP films, trilaminated bags and pouches, PVC films, and shrink sleeves. Our core business is to provide complete printing and packaging solutions that help clients effectively present and protect their products. Located in Pune, Rajmudra Packaging has been serving the industry since 2014.
