About Us

Tayal Tube Corporation is a paragon in the irrigation and plumbing industry, exemplifying quality and innovation through our huge range of products. We, being a manufacturer and supplier, have established our company as the one with the most reliable name when it comes to superior quality products in HDPE Sprinkler Adapter Foot Bottom, Epc Sprinkler Tee, HDPE Sprinkler Pipe Washer, Riser Pipe, Brass Sprinkler Nozzle, Agriculture Drip Filter, Drip Joiner, Rain Pipe Jointer, and PVC Ball Valve. All our manufactured products are bound to deliver optimal performance and for years of lifespan. Our strength is the accurate, precision-engineered parts of the irrigation and water distribution system that can result in an irrigation system for better output with sustainable inputs.

Quality and customer satisfaction are the cornerstone of our success. Each product goes through a strict quality check against industry standards, ensuring reliability and durability. Brass sprinkler nozzles possess excellent corrosion resistance and accurate spray patterns, and the agriculture drip filters ensure uniform water flow with maximum filtration.
