## About Us

Amar Foods began its operation in 2020 in the city of Bhavnagar, Gujarat. We have positioned in the industry as a dynamic manufacturer, supplier, wholesaler and exporter of different kinds of garlic and onion granules and powders. In the present day, we proudly stand at the forefront of the market for exporting dehydrating onion and garlic products of exceptional quality. Our product range is wide and includes a diverse variety of Garlic Granules, Pink Onion Granules, Red Onion Granules, Pink Onion Kibbled Flakes, White Onion Kibbled Flakes, Garlic Chopped, Garlic Powder, Red Onion Powder and many other products. Presently, we are one of the promising global suppliers that caters to the demands of various food service companies, retailers, and distributors in both domestic and international markets.

We have achieved success in a very short span and it has not just come by chance. We have worked hard to make ourselves highly competitive in both domestic and international markets. Our goal is always to deliver what we promise. Our company is known for quality and client servicing, and for that, we have adopted strategies to deal with clients, vendors and our own internal team management. We are associated with many renowned vendors from whom we source our natural raw materials.
