

Bituminous Waterproofing Membrane

A promise to offer Services with higher **quality standards.**

120 GSM Geotextile Fabric, 2 MM Anti Corrosive Pipe Wrapping Tape, 20 Micron HMHDPE Bitumen Plastic Felt, 3 MM Anti Corrosive Pipeline Wrapping Coating Tape, 4 MM Anti Corrosive Pipe Wrapping Tape, 85-25 Grade Blown Bitumen, Aluminium Or Silver Color Paint, Aluminum Foil Top APP Membrane, Bitumen Modified Liquid Membrane Coating, Bituminous Waterproofing Membrane, Elastomeric Bitumen Modified Acrylic Coating, Expansion Joint Filler Board, Glass Fibre Mesh Reinforcement Fabric, KRANSTHANE-PMR Special Polymerized Primer For PU Coating, Mineral-GT Finish APP Membrane, etc.

**RANSWEATHER-COOL HEAT
INSULATION AND ENERGY SAVING
COATING**

**ONE PACK WATERPROOF ACRYLIC ELASTOMER BITUMEN MODIFIED
ROOF COATING**

**ELASTOMERIC BITUMEN MODIFIED
ACRYLIC COATING**

About Us

Rans Engineering & Chemicals Private Limited, would like to introduce itself as one of the top manufacturer and suppliers of RANSCRETE-SBR Styrene Butadiene Rubber Based Polymer, RANSMASTIC-FLOOR Bitumen Mastic, Glass Fibre Mesh Reinforcement Fabric, RANSPOLYSEAL Polysulphide Sealant, etc. We are also active as a service provider for Waterproofing Service. Several Ministries/Government Agencies, Large Commercial Organizations, Leading Developers, Consultants, and Architects have high regard for all of the products. We are one of the top 20 companies and provides the construction industry with 80 products for a range of uses. Our company is the first firm to develop the optimum waterproofing treatment with the ideal chemical for subtract. Our main business is to provide our buyers with goods and services that are effective, economical, and environmentally responsible. We provide a carefully chosen range of specialized products and services, with a particular emphasis on the PCIBAG (Projects, Companies, Industries, Builders, Architects, and Government) sector.

We have a more than 4 years history of providing trustworthy range of products in the Indian market. In order to adapt to the demands of the changing business environments of the twenty-first century, we have grown by establishing the group firm called M/s Rans Engineering Company. We have successfully built a reputation for ourselves in the Indian market by providing perfect solutions to our valued customer and making them happy. We have a well-equipped warehousing facilities at numerous locations in India with ample stock of various commodities & grades in order to provide quick services to our loyal customers at their location. We expertly manages site inspection and consulting teams in order to suggest value-added solutions to our clients in accordance with their requirements.

Our specialized crew is always seeking for items that are both economical and fulfil the highest requirements of quality in order to compete in the worldwide market. Our main focus is to provide our customers with goods that are effective, economical, and environmentally. Rans Engineering & Chemicals Private Limited has been in the respective business since 2019. Our expertise lies in making goods like Road Repair Patching Compound, Water Base Epoxy Primer, Aluminium Or Silver Color Paint, Joint Filler Board, etc. Our daily business operations are being carried out from Ghaziabad, Uttar Pradesh, India. One can also avail waterproofing service from our podium.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	Pot-Hole Repairing Compound,Anti-Corrosive Pipe Wrapping Tape,Liquid Applied Membrane,app waterproofing membrane,
No of Staff	10
Year of Establishment	2019
OEM Service Provided	No
Memberships	Ce Certified Company
ProductRange	Pot-Hole Repairing Compound,Anti-Corrosive Pipe Wrapping Tape,Liquid Applied Membrane,app waterproofing membrane,

Our Products

RANSBOND-FLEX
Bituminous Adhesive

RANSKOTE-PMR Water
Based Bitumen Primer

RANSFELT-FG Fibre
Glass Reinforced

RANSCRYL-LMW
Waterproof Acrylic

RANSKRYST-COAT
Crystalline Concrete

RANSGUARD-2K Acrylic
Modified Cement

85-25 Grade Blown
Bitumen

RANSAPP-SELF Self
Adhesive Sheet

RANSFELT-HF Hessian
Based Bitumen Felt

4 MM Anti Corrosive
Pipe Wrapping Tape

RANSMASTIC-FLOOR
Bitumen Mastic

RANS HMHDPE
Waterproof

Glass Fibre Mesh
Reinforcement Fabric

RANSPOXY-PMR250
High Grade Water Base

Ransantico- Blp Anti
Corrosive Ready Mix

RANSAPP-HM100 High
Molecular High Density
