## About Us

Authentic Biotech is a nationally recognized company involved in producing a wide range of products including Disposable Adult Diapers, Soft Baby Diapers, etc. We are specialized in both baby and adult diapers which we supply to our clients across India. Established in 2010 in Kolkata, West Bengal, we have created our niche in the industry with our commitment to providing high-quality, affordable and sustainable diaper products that meet the need of adults and babies. Over the years, we have expanded our business to many horizons and have started supplying general medicinal products such as Digestive Enzymes, ORS Powder Sachet, and others. We also deal in Baby Wipes, Pharmaceutical Medicines, etc.

At our organization, we follow a strict ethical policy that requires an unwavering dedication to the highest ethical standards. It is fundamental to our company and every employee carries a share of the responsibility and contributes to our success. We strive to maintain the highest standards of individual and corporate integrity. We foster an environment of trust with our co-workers, clients, associates and communities at large. We always comply with the policies, meet legal requirements and harbor an environment of transparency.
