About Us

Raj Enterprises was born to offer a durable and sturdy range of dustbins for use in several places from homes to offices, banks, malls, super markets, airports, schools, and many other. We started our business of manufacturing dustbins in 2010 and since then, we have been passionately making and supplying a wide range of products including Metal Mesh Dustbin, Stainless Steel Pole Dustbin, Airport Trio Steel Dustbin, 2 In 1 Fibre Duo Dustbin, Wet And Dry Waste Metal Dustbin, and more.

We offer a broad variety of dustbins by working with passion and sincerity. We make varieties after analyzing and understanding the diverse requirements of different areas. Every product of our company is manufactured from top grade materials (stainless steel, metal or FRP) by our trained experts as per the international standards. Furthermore, our clarity in deals and close involvement of customers in every process of launching new and improved products make us a successful dustbin manufacturer from New Delhi, India.
