About Us

Heavy industrial products, such as the Heavy Duty Wheat Flour Plant, Pulverizer Wheat Flour Plant, Three Phase Flour Mill Machine Plant, Wheat Flour Mill Plant, Industrial Wheat Flour Mill Plant, Purifier Wheat Flour Mill Machine, etc., are used in various industries to manufacture quality products. These machines not only improve productivity but also lessen human efforts and errors. Shri Maa Bhagwati Traders was established to meet the high demand for these products. We believe that as one of the leading manufacturers and suppliers of these products, it is our responsibility to supply high-quality products, and for that, we obtain the best quality raw materials. These materials are chosen from the most trusted vendors in the market after a lot of market research based on various parameters such as the ability to fulfill bulk orders, the price of the materials, etc. All the products and raw materials go through various quality assurance tests to ensure they adhere to the set industrial standards.

The infrastructure of our company is solidly built and well-built. It is well equipped with all the latest tools and machines needed for the manufacturing of these products. The spare parts, raw materials, and finished products are stored in a large warehouse area that is regularly monitored and cleaned. Our building is well-ventilated to ensure an easy flow of currents and an effective working environment.
