About US

Established in the year 2021, Gaj Kesari Polymers Private Limited is one of the reliable companies in the industry of mulching film and sheets. We are a renowned manufacturer and supplier of Silver Black Mulch Film Paper and Gaj Kesari Mulch. With these products, we are successfully catering to the diverse needs of the agriculture and horticulture industry. Our products are widely acknowledged on agro fields to modify soil temperature, prevent moisture loss, limit weed growth and improve crop yield as well as precocity. These are developed with special-grade materials hence assured of having supreme quality.

In a short span of time, we have marked a reputed niche across the industry with our quality products and continuous improvisation. Our advanced infrastructure facility is widespread on a huge area in Vadodara, Gujarat, India. From this premises, we are successfully meeting the bulk orders of our customers on time and with uncompromised quality. We have also appointed an experienced team of professionals having intensive knowledge in their respective domains to perform our tasks.

Quality Standards

To maintain a high level of quality standards in our products, we have adopted a stringent approach in our business policy. We strictly follow the quality policy in every phase of production. Our facility is fully equipped with the required modern tools and machines that help us to deliver a flawless range in the market. Our offered films are supplied to markets after passing out strict quality tests.

Infrastructure Facilities

We have established a fully equipped facility located in Vadodara, Gujarat, India. The major space of the developed setup is covered by our manufacturing unit, where Gaj Kesari Mulch and Silver Black Mulch Film Paper are developed. Other than the manufacturing unit, we have a warehouse that is spacious, well-ventilated and segregated into different sections for storage of products in bulk quantities. Further, our well-established premises has connectivity with major shipment routes that help us to ensure the safe and timely delivery of the consignment.
