About Us

Products like Lotion Pumps, Mist Sprays, Flip Top Caps and Tube Closures are crucial tools for effective branding and marketability of the packaged products. Their quality, both in terms of form and function, have a profound impact on consumers. Working towards promoting sustainable packaging solutions and extending the maximum possible benefits to customers from the chemical, wellness, cosmetics, pharmaceutical and similar other industries is Veeglow Industries Private Limited. We are an Ahmedabad, Gujarat based manufacturer and supplier that truly understands evolving customer needs and offers tailor made caps, closures and other products exceeding their expectations. Be it business prowess or ethical integrity, we excel in both, working round the clock at a world class facility spanning across 50,000 square feet where exemplary engineering and management skills converge so that we can orchestrate various works without any setback.

Count on the expertise of Veeglow Industries Private Limited when looking for best designed caps and closures for use in the packaging industry. We are an Ahmedabad, Gujarat based manufacturer and supplier that differentiates itself in a crowded marketplace by supplying top quality Spout and Cap, Lotion Pump, etc.
