## About Us

Aspiring to become a global leader and one stop destination for all the industrial needs pertaining to Pigments And Resins, Krrish Trading was recently established in 2023. Our organization is manufacturing a vast array of FRP Color For Pigment, High Quality FRP Color For Pigment, FRP Epoxy Color Pigment For Epoxies and FRP Color For Polyurethane. Using the high-grade substances, our pigments and resins are produced in tune with the industrial standards. Our in-house brand- Digi-Chrome exclusively formulate the pigments which are further used in the manufacturing of Fibreglass Reinforced Plastics, Epoxies and Polyurethanes.

As an emerging manufacturer and supplier, we have developed a well-equipped manufacturing unit, quality control labs, research & development unit and other divisions which are looked after by experienced professionals. Our commitment is to deliver nothing less than the best to the clients and keep challenging ourselves to offer new & exciting alternatives in the market.
