

# 7 Inch Dona Plate

**Product Description:**

7 Inch Dona Plate is a high-quality disposable plate designed for serving snacks, sweets, meals, and fast food items in a hygienic and convenient manner.

Manufactured using durable paper and foil material, this dona plate offers excellent strength, lightweight handling, and leak-resistant performance. Its sturdy construction and smooth finish make it suitable for parties, catering services, restaurants, food stalls, and household use. The disposable design ensures easy cleaning and eco-friendly food serving for both commercial and personal applications.
