

8 Inch Dona Plate

Product Description:

8 Inch Dona Plate is a lightweight and durable disposable plate designed for serving snacks, meals, sweets, and fast food items. Manufactured using high-quality paper and foil material, it provides excellent strength, leak resistance, and hygienic food serving. The plate features a smooth finish and sturdy design suitable for parties, catering services, restaurants, food stalls, and household use. Its eco-friendly and disposable nature makes it convenient for single-use applications while ensuring easy handling and clean serving.
