About Us

For more than 7 years, we, Hugel Trading Solutions India Pvt. Ltd., have been serving clients across India with complete dedication as a reliable trader and supplier of various agro food products. Our focus is to bring pure and fresh agricultural products straight from the producers. We deal with a wide range of products including Maida Flour, Chana Dal, Moong Dal, Raw Rice, Boiled Rice, Fresh Lemon, White Sugar, Fresh Onion, etc. We are focused on each product to ensure that each of them is free from adulterants and dry preservatives. Moreover, we give due importance to the packaging and thus pack them using the highest-grade packaging materials to safeguard their freshness.

We have a full-fledged team of highly experienced professionals, who consistently work to serve the best product range to customers. The team is our backbone and ensures we walk straight to achieve our vision. We provide our clients with the highest grade of quality products that they seldom find anywhere else at such competitive prices. We ensure all our products are free from any kind of contaminants, preservatives, chemicals, and artificial colours. We also check the moisture content, pesticide content, etc. to deliver the finest products.
