About Us

Amitex Enterprises is committed to delivering innovative water storage solutions that bring together durability, safety, and efficiency. As a Manufacturer, Supplier, and Service Provider of high-quality tanks, the company focuses on engineering products that stand the test of time while meeting the diverse needs of industrial, commercial, and domestic users. Every product reflects a blend of modern design and practical utility, ensuring reliable performance in even the most demanding conditions.

The product range includes amitex panel water tanks, smc panel water tanks, amitex smc panel tanks, grp panel water tanks, fire grp water storage tanks, zinc aluminum water tanks, and industrial water storage tanks. Each product is built with precision using eco-friendly materials, offering superior strength, leak-proof assurance, and hygienic storage for potable water. Easy installation with modular systems and minimal maintenance needs make these tanks a preferred choice across multiple applications. The focus remains on creating solutions that are lightweight yet strong, corrosion-resistant, and adaptable to every climate, thereby guaranteeing long-term value for users.
