## About Us

Falcon Systems is an associate company of Vertex Safety Products Private Limited. We are a manufacturer and supplier of good quality of safety products across the country, including Plastic Speed Breakers, Rubber Speed Breakers, Traffic Cone, Road Studs, etc. The clients are highly valued with these safety products for their precision design, reliability, excellent strength, low maintenance, and durability. We provide them in a wide range of specifications so that we can cater to the diversified requirements of our customers. Quality forms the backbone of our business, which requires rigorous testing of each product for compliance with the highest standards.

We have been the choice of many leading clients due to our emphasis on correct business practices, competitive prices, timely delivery, and proper management of satisfied customers. Some esteemed clients served by us are Rajdeep Buildcon, Ashoka Buildcon Ltd., Gannon-Dunkerley Co. Ltd., LOreal, Bajaj Auto Ltd., General Motors, Mercedes-Benz, Cummins India Ltd., Kirloskar Pneumatic, and Tata BlueScope Steel, among others.
