About Us

AMCO Steel and Alloys is a renowned manufacturer and supplier of stainless steel bars. We are reputed for our premium-quality stainless steel round bar, stainless steel magnetic round bar, stainless steel rod, 430 stainless steel bar, 304 stainless steel round bar, and other stainless steel bars. Our products are recommended by experts for their quality and are widely used in the fabrication of diverse products. We have advanced machinery with automated systems, high-degree blast furnaces, rolling mills, etc., and we are equipped to handle large-scale production to meet the needs of the clients. We aim to become the leading producer of quality stainless steel bars and spread our mark across the world.

AMCO Steel and Alloys is a major manufacturer and supplier of stainless steel round bars. The company was incorporated in 2018 by visionary Mr. Harish S. Dewasi to fulfill the demand for quality stainless steel products. Since our incorporation, we have introduced a diverse range of stainless steel bars. Our product range comprises stainless steel round bars, stainless steel magnetic round bars, stainless steel rods, 430 stainless steel bars, 304 stainless steel round bars, etc. We are renowned for our high-quality stainless steel, manufactured in line with steel manufacturing norms. We aim to broaden the scope of our business and leave a mark on quality products globally.
