About Us

Janta Tiles Machinery is a rapidly expanding manufacturer and supplier of construction material machines, boasting an extensive range of offerings. Among our products are the state-of-the-art Automatic Cement Block Making Machine, Hydraulic Paver Block Making Machine, Color Pan Mixer Machine, Concrete Mixer Making Machine, Silicone Plastic Chequered Tile Mould, and more. We take pride in using only premium quality raw materials and components to ensure the production of highly functional, durable, and long-lasting products. Our custom-made and budget-friendly product line caters to the diverse demands of our customers.

Since our inception in 2022, we have been located in Ghaziabad, Uttar Pradesh, India. Our diligent team, guided by our mentor, Mr. Asif (Owner), who has a wealth of industrial experience and knowledge, oversees every aspect of our business operations. With our unwavering focus on becoming the industry leader, we have been consistently working towards improvement in both product range and client service.
