## About Us

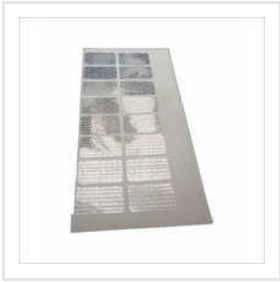

Spreading our roots in the industry, Indo Holography Security Printing has become one of the prominent names in the industry as a leading manufacturer and supplier of various kinds of holographic products such as 3D Hologram Label, Green Hologram Sticker, and Silver Holographic Sticker. Our offered range is known for its features like lightweight, high adhesiveness, glossy finish and high tearing strength. Because of these features, our products are highly demanded in various industries including FMCG, banking sector, automotive, promotion, etc.

With our constant efforts, we are growing faster with consistent development and profitability of our clients. Established in 2007 in Kolkata, West Bengal, India, we have become a trendsetter by offering innovative cutting-edge holographic products. With a passion to become leaders of the industry, we have developed a sound infrastructure unit spread across an extensive area. We also have installed ultra-modern machinery and technological devices in the facility that are operated by our team of diligent professionals.
