About Us

Rajat Power Corporation is a leading manufacturer and supplier of high-performance electrical and power solutions, proudly based in India. With a strong foundation built on innovation, quality, and customer-centric values, we specialize in manufacturing and supplying a wide range of products including Motor Start Panels, Bharat Generators, Electric Pumps, and Solar Panels. Our offerings cater to various sectors such as agriculture, residential, industrial, and commercial, providing efficient and reliable power solutions tailored to specific needs.

We are committed to delivering products that combine durability, advanced technology, and energy efficiency. Our Motor Start Panels are engineered for safe and smooth motor operations, while our Bharat Generators are known for their robust performance and dependability. Our range of Electric Pumps ensures reliable water transfer and management, and our Solar Panels offer clean, renewable energy solutions for sustainable living.

Driven by a team of skilled professionals and supported by modern manufacturing facilities, we maintain strict quality control measures at every stage. Our focus on timely delivery, customer satisfaction, and ethical business practices has helped us earn the trust of clients across India. Rajat Power Corporation stands for power, performance, and progress.
