About Us

To cater the demands of various engineering industries, Accu-Tech Measurement Systems got established as the renowned manufacturer, exporter and importer. We offer a wide range of products like Profile Projectors, Video Measuring Machines, Illuminated Magnifiers, etc. With the experience of 20 years in manufacturing of profile projectors and as an OEM service provider, we have a sound infrastructure to provide our clients with flawless equipment and machines. Our manufacturing unit is supported with latest milling machine, grinding machine etc., which allows us to manufacture our products with utmost precision. Moreover, these are also tested stringently on various parameters before being supplied to the clients, to ensure their utmost satisfaction. This has led us in exporting our products to the countries like Europe and Asia. We also import some of the products from the countries like Germany, UK and Taiwan.

We have a diligent and skilled team of professionals, who help us in manufacturing world class products. We have the technical team to understand the requirements of our clients. Our expert team consists of mechanical engineers, technocrats, installation personnel, quality control personnel and allied staff. ACCU-TECH measurement system Offer wide range of products like Profile Projectors, Video Measuring Machines, Illuminated Magnifiers etc. All these products are manufactured with the use of high quality raw material like Imported- LM Guides, Cross Roller Guides, Lenses, Glass Scales etc. In addition to this, we are a service provider, offering profile projector services to obtain maximum satisfaction of the clients.

Accu-Tech Measurement Systems, is a business entity from Bangalore (Karnataka, India), which works with utmost sincerity and diligence, and serves its customers a wide range of Video Measuring System, Video Measuring Machine, Vertical Profile Projectors, Horizontal Profile Projectors etc. We are working valiantly as a manufacturer, exporter by ensuring it to our customers that whenever they come to us, they will always get their hands on the best quality products. We are a firm, on which clients can blindly rely for fulfilling their needs. The confidence to say the foretold is a result of commendable execution of works as a trader, so as to strengthen our portfolio of products in a sincere manner.
