About Us

We, Evfarm India Private Limited, one of the newest names in the Indian market, have found a solid footing among customers as a manufacturer and supplier of Golf Equipment and Material Handling Equipment. The Material Handling Equipment we offer are designed to be durable, reliable, and easy to use, making them the perfect solution for small scale and big-scale businesses and individuals looking for an efficient way to move goods and materials. Furthermore, we also make sure to supply our Golf Equipment like Golf Carts in various capacities, colors and designs to meet the varied demands of our customers. At Evfarm, we use the latest manufacturing techniques and machinery to ensure that our products are of the highest quality and that they meet the needs of our customers.

We, Evfarm India Private Limited, one of the newest names in the Indian market, have found a solid footing among customers as a manufacturer and supplier of Golf Equipment and Material Handling Equipment. The Material Handling Equipment we offer are designed to be durable, reliable, and easy to use, making them the perfect solution for small scale and big-scale businesses and individuals looking for an efficient way to move goods and materials. Furthermore, we also make sure to supply our Golf Equipment like Golf Carts in various capacities, colors and designs to meet the varied demands of our customers.

At Evfarm, we use the latest manufacturing techniques and machinery to ensure that our products are of the highest quality and that they meet the needs of our customers. To smoothly run our production, we have developed a sophisticated infrastructural facility where these high-tech machines are installed which provides us with a significant manufacturing boost. Furthermore, the machinery and equipment at this facility are upgraded in a timely manner to ensure our dominance over our competitors.
