About Us

Well-recognized as a trusted manufacturer and supplier in the industry, we, AVS Impex, are one of the most suitable partners for customers who constantly search for superior-quality products at unbelievable prices. Backed by rich resources, we work harder each day to deliver a uniquely-developed range of Car Ring Gears, Pivot Pins, Mahindra Tractor Clutch Covers, Industrial Brake Paddle Springs, and other products. Exceptional durability, corrosion-resistance, and functionality are some of the striking features of our products that set them apart.

We, AVS Impex, are one of the leading manufacturers and suppliers in the industry, catering to the demands for high-grade Industrial Brake Paddle Springs, Mahindra Tractor Clutch Covers, Pivot Pins, Car Ring Gears, and other products. We recently entered the business after observing the surge in demand for precisely engineered industrial products. With a commitment to quality, we manufacture our entire product range under the guidance and supervision of our professionals. They make use of the finest raw materials and deliver products that are anti-corrosive, lightweight, long-lasting, and capable of withstanding harsh industrial conditions. Furthermore, in order to keep pace with the increasing demands of the customers, we price all our products at market-leading rates so that most of them can fulfill their demands without giving a second thought.
