## About US

Founded in 2021, Hemish Industries is a well-known manufacturer and supplier of Soft Tissue Paper. In a short span of time, we have built a good reputation in the market as a company that is committed to manufacturing the best quality tissue papers. Our range is sold under the brand name, White Horse. The premium quality napkins we offer are known for excellent absorbency and comfort. Our paper napkins are soft on the skin and do not cause any harmful effects.

We employ eco-friendly means of production whereby we adopt the best manufacturing practices to avoid damage to the environment. We have professionals who are adept in such manufacturing techniques. Their efforts always result in the timely fulfilment of all the demands of our customers. Our business philosophy is rooted in our commitment to providing the best quality tissue papers at the most competitive prices. Buyers interested in bulk purchases are most welcome with their inquiries.

## Our Production Facility

To ensure the smooth production of tissue papers, we have created a modern infrastructure equipped with highly functional machinery. We also have installed machines that can recycle materials, which can even be used as raw inputs in the manufacturing process. The machines are kept in top working condition so that we can manufacture the best napkins without ever failing on our promise of delivery of quality products at competitive prices.
