About Us

High-quality fruit pulps and concentrates, IQF (individually quick frozen) products, frozen pulps, and spray-dried powders are the products of Green Agro Pvt. Ltd., a leading food processing firm in India. Serving both domestic and foreign markets, our dedication to quality and innovation places us at the forefront of the agro-processing sector.

At So Green Agro Private Limited, we take great satisfaction in using the best and freshest raw ingredients, which are obtained straight from reliable orchards and farmers. The natural flavors, nutritional content, and exceptional quality of our goods are preserved by our cutting-edge processing facilities. Our objective to provide our customers with healthful and delectable products is reflected in our commitment to quality and sustainability, which forms the foundation of our operations.
