About Us

Ensuring that every customer working with our company, Infracoat Integrated Systems, receive only the best products and services, has always been a top priority for us. Since the year 2021, we have been attentive to the various needs of our customers and have made a concerted effort to provide them with the finest options available as a manufacturer and supplier. All of our goods, such as Industrial Powder Coating Plant, Industrial Water Drying Oven, Industrial Powder Coating Booth, and others, have received positive feedback from customers. As a service provider, we also offer consulting services on all our products. The prices of both our products and services are kept nominal. Furthermore, we ensure prompt and secure completion of all customer orders.

Just a few years ago, we founded our company, Infracoat Integrated Systems, with the goal of offering our customers an extensive selection of superior products and services. We are able to supply each and every one of our clients a unique assortment of products and services thanks to the help of our skilled team of professionals. Our entire team works diligently to provide the best range of products, which includes Industrial Spray Paint Booth, Industrial Batch Type Oven, etc., to all our customers. Our facility, from where we deliver our top-notch products and services to customers, is located in the city of Pune, Maharashtra, India. The affordable prices of all our products and services encourage more and more clients to return to us with new requests.
