About us

Splice Lam is known for its product offerings. But there's a lot that goes behind making these products which stand the tests of time. At the core of it lies uncompromising standards for unmatched results which have led to the brand Splice warming up to a separate TQM dept. With it Splice brought dedicated control quality throughout its production process to achieve world-class standards.

DESIGNER DOOR | LAM | PLY

Note: For actual colour pattern and finish refer actual sheets as due to printing limitation there might be slight variation. In case of any claims, the liability of the company is however limited to the cost of the product only.

Care & Maintenance: Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive practice or excess soda.
