About Us

Magnetronix India Private Limited is a prominent name in advanced metal detection technology. We are a reliable supplier, manufacturer, and exporter with our expertise in offering high-standard metal detectors for diverse industries like food processing, pharmaceuticals, textile, and garments. Our diverse product list features Frozen Food Metal Detectors, Spice Metal Detectors, Bag Metal Detectors, Vibration Mode Pharmaceutical Metal Detectors, and Metal Detectors for Textile and Garments.

Our product range is tailored to fulfill the high quality and safety requirements of several industries. Every metal detector is crafted with high precision to detect even the most minute contaminants in raw material or finished goods, which guarantees maximum purity and safety levels.
