

Specification	Recommended Value
Color	Black
Usage	Industrial
Tool Type	Wrenches
Size	Different Available
Material	Carbon Steel
Body Material	Carbon Steel
Type	Crowfoot Wrench, Open Ended Wrench
Product Type	Crowfoot Wrench, Open Ended Wrench
Height	25 mm
Handle Material	Carbon Steel
Weight	100–500 g
Width	30 mm
Shape	Round
Length	150 mm
Dimension (LWH)	150 × 30 × 25 mm
Warranty	One year against manufacturing defects
Grip Type	Open End
Tensile Strength	600–800 MPa
Surface Finish	Black Oxide
Gauge	6–32 mm
Motor Power	N/A
Function	Tightening and Loosening of Nuts & Bolts
Power Source	Manual
Voltage	N/A
Features	Heavy Duty, Durable, High Strength, Corrosion Resistant, Precision Engineered, Easy to Use
