

Specification	Recommended Value
Usage	Industrial
Tool Type	Impact Socket
Size	1/2 Inch Drive
Material	High Carbon Steel
Height	50 mm
Handle Material	N/A
Product Type	Impact Socket
Weight	250–500 g
Color	Black
Width	25 mm
Shape	Hexagonal
Length	50 mm
Dimension (LWH)	50 × 25 × 25 mm
Warranty	One year against manufacturing defects
Grip Type	Hexagonal Drive
Tensile Strength	800–1000 MPa
Surface Finish	Black Phosphate
Gauge	10–32 mm
Motor Power	N/A
Function	Fastening and Loosening of Nuts & Bolts
Power Source	Pneumatic / Electric Impact Wrench
Voltage	N/A
Features	High Strength, Durable, Corrosion Resistant, Heavy Duty, Precision Engineered, Suitable for Impact Wrenches
Body Material	High Carbon Steel
Type	Other, Impact Socket
Supply Ability	1000 Per Month
Sample Available	Yes
Sample Policy	Sample cost, shipping and taxes have to be paid by the buyer
Packaging Details	Packing as per Industrial Standard
