COMPANY PROFILE

Vishwakarma Industries is among of the most prominent names making machine for flexible pipe hoses in the last few decades. Realizing the wide market potential we ventured into this business with a firm determination of delivering international quality machinery to our customers. With a well defined goal of establishing our self as a global leader we are steadily moving leaving behind many milestones of success. Our organization is committed to serve various industries globally in the best possible way.

The Company

In the fast-growing competitive market of plastic extrusion machinery, Vishwakarma Engineers stands out as a growth - oriented company that recognises that the needs of the plastic manufacturing industry are techno-driven, and that state-of-the-art design, configuration, raw materials, and applications for new products call for advanced technology, know-how, and continual innovation.

The Business

We are into the business of Modern Plastic Machinery and ancillary equipment, we have reached well throughout India and overseas by meeting the requirements of entrepreneurs in the field of pipe, tubes & hoses extrusion. Our products incorporate user-friendly operations and controls, including parts that resist wear and tear, they can withstand fatigue, Spares are easy available we which conform to specifications which are designed to with the requirements of plastic manufacturing units.

The Team

To achieve and maintain our own benchmarks we have consolidated the interaction between the planners, engineers and marketing executives to arrive at performance and quality targets within time frames. The whole team is acutely aware that perfection in machining every part is the foremost desired attitude & we constantly focus on this.

New Innovation

Our Innovation... First time in India
In the year 2014... Three layer garden pipe plant.
In the year 2015... LD Lay Flat hose pipe automatic roll winding machine.
In the year 2016... Garden pipe air seeling machine (Mouth seeling machine)
In the year 2018... PVC suction hose pipe one time two pipe making plant (Dual spiral hose)

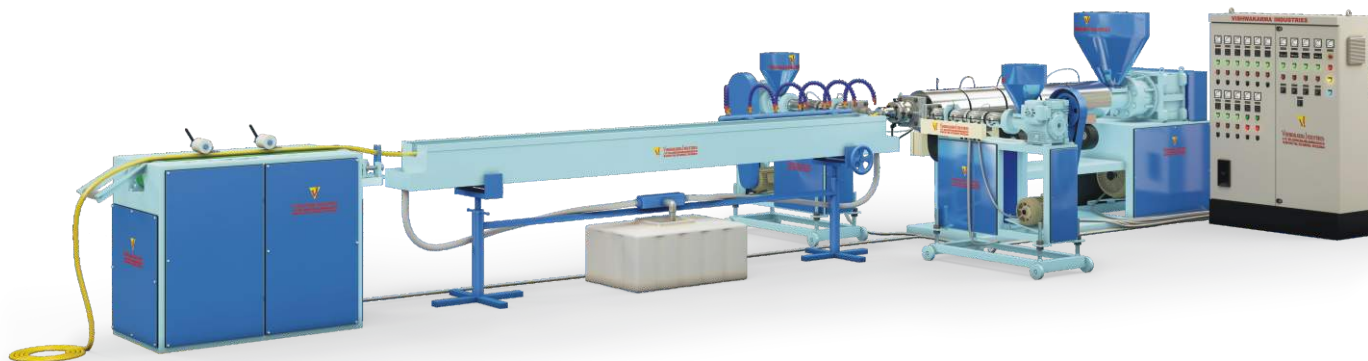

OUR ACTIVE PARTICIPATION IN VARIOUS INDUSTRIAL EVENTS

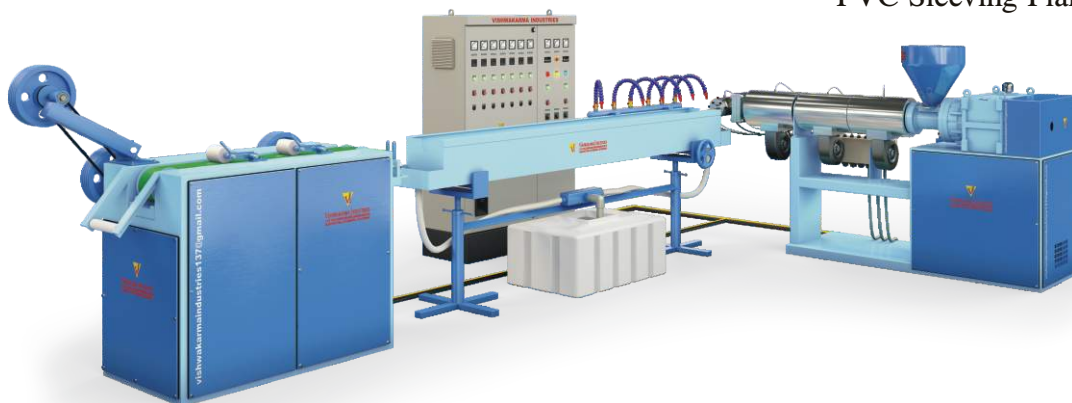

Manufacturers of All Types of Plastic Pipe Plants

- ◆ PVC Transparent (Garden) Pipe Plant
- ◆ PVC Braided Hose Pipe Plant
- ◆ LLDPE Lay-Flat Delivery Hose Pipe Plant
- ◆ HDPE Corrugated Pipe Plant
- ◆ PVC Suction Hose Pipe Plant
- ◆ PVC Suction Hose Pipe Formers
- ◆ PVC Rigid Pipe Plant
- ◆ PVC Conduit Pipe Plant
- ◆ PVC Sleeve Pipe Plant
- ◆ Plumbing Pipe Plant
- ◆ HDPE Pipe Plant
- ◆ PVC Casing & Caping Plant
- ◆ PVC Profile Seal Plant
- ◆ PU Tubes Plant
- ◆ PVC Sanitary Connection Hose Plant
- ◆ PVC Steel Wire Duct Hose Pipe Plant
- ◆ PVC Medical Tubes Plant
- ◆ PVC Steel Wire Reinforced Hose Plant
- ◆ Automatic Roll Winding Machine
- ◆ PVC Twin Screw Extrusion Plant
- ◆ Automatic Pipe Sealing & Cutting Machine
- ◆ Soft PVC Pipe Length Cutting Machine
- ◆ PVC Transparent (Garden) Pipe Air Sealing Machine
