About Us

An ISO 22000:2018 certified company, Agricom Farmers Producer Company Limited, is known in the market as one of the leading manufacturers, suppliers, and exporters of food grains and similar products. Our offered range includes items like Sabut Moong Dal, White Cowpea, White Sesame Seeds, Brown Mustard Seeds, Fenugreek Seeds, Cumin Seeds, and more. Legumes, such as lentils and similar products, are nutrient-rich and versatile ingredients in various cuisines. They provide a great source of plant-based protein and dietary fibre. When combined with aromatic spices, legumes create flavorful and wholesome dishes. The combination of legumes and spices adds depth, richness, and a burst of vibrant flavours to meals, making them a popular choice for both vegetarian and non-vegetarian recipes. We have been in this business for many years now, and in these years we have grown exponentially, mastering the art of dealing with our clients. Our ethical business policies guide us effectively in the same direction. These policies were made keeping in mind the well-being of our clients.

Since our establishment in 2015, in Gandhinagar, Gujarat, India, Agricom Farmers Producer Company Limited, has been known in the country as one of the leading manufacturers, suppliers, and exporters of Coriander Seeds, Carom Seeds, Black Sesame Seeds, Carom Seeds, Fenugreek Seeds, Cumin Seeds, and more. We have more than seven years of market experience in this industry. In these years, we have catered to the needs of a large number of customers. We strive to maintain a healthy and trustworthy relationship with all of them. Moreover, our recently drafted marketing policies have helped us tremendously with our brand recognition. With their help, we have been able to do business with many reputed customers in the industry. As we move forward, our goals are to please our clients with each job we complete and grow our company.
