About Us

Our leading company, Indiana Sports Infra is established in Jaipur, a vibrant city in the state of Rajasthan, India. The strategic location allows us to efficiently serve customers across the entire country, while also catering the international markets with our exceptional range of products. As a reliable and top manufacturer, exporter, and supplier of an extensive range of Football Ground Turf, Badminton Wooden Court Flooring, Skating Rink Flooring, Outdoor EPDM Flooring, etc. we possess expertise in design, development, and production of various other types of sports flooring, fencing, and tiles.

It is the support and hard work of our team of professionals who work around the clock to make sure that each of the aforementioned product is flawless and stands out in the market, exhibiting the highest standards of quality. Furthermore, the professionals also place their attention on making sure that the customers receive the best return for their invested money. So to delight customers a little extra, they serve them several other benefits as well such as timely delivery services, appropriate packaging solutions, excellent after-sales services, etc.

Indiana Sports Infra is a leading manufacturing company specializing in the production of high-quality flooring solutions for both indoor and outdoor sports. Our product range encompasses Outdoor EPDM Flooring, Skating Rink Flooring, Badminton Wooden Court Flooring, Football Ground Turf, etc. With a focus on innovation, durability, and performance, we offer a wide range of flooring options tailored to meet the specific needs of our customers, sports facilities, and recreational spaces. Our commitment to excellence has established us as a trusted provider of sports surfaces in Jaipur (Rajasthan, India) and beyond. Furthermore, our dedicated team of professionals, including engineers and technicians, work tirelessly to ensure that our products meet the highest industry standards and exceed the expectations of our customers. Additionally, we also serve as a reliable exporter.
