About Us

IVN Hardware is a leading manufacturer and wholesaler specialized in offering high-quality electrical solutions, including Powder Coating Concealed Metal Boxes, Mild Steel Modular Electrical Boxes, Ceiling Fan Boxes, and PVC Conduit Pipes and Bands. Our company is dedicated to delivering innovative and durable products that meet the diverse needs of our customers. Our team utilizes the most advanced manufacturing techniques and rigorous quality control processes to ensure that every product exceeds all possible safety and performance standards. We continually seek to be the partner of choice in the electrical hardware industry, looking to increase our product offering for the benefit of our customers.

IVN Hardware, established in 2020 and located in Dalsingh Sarai, Bihar, India, is a prominent manufacturer specialized in a diverse range of electrical products. Our offerings include Ceiling Fan Box, Modular GPSP Box, King M Modular Box, Concealed Metal Boxes, etc. As a proprietorship firm, we are committed to delivering high-quality products that meet the stringent standards of safety and efficiency required in the electrical industry. With a dedicated workforce of 25 employees, we focus on innovation, ensuring that our products are not only durable but also designed for ease of installation.
