## About Us

When a customer comes to a pharmacy, he/she expects the finest quality and best product for their skin, hair, and overall health. We at Pooja Pharma consider it as our utmost responsibility to test the products thoroughly before procuring them from our vendors and offering them to our customers. Every product that we include in our wide range of products has passed through a series of quality checks that have been articulated by industry experts working with us. If you have been seeking a reliable source for getting the finest pharma based products like Hair Serum, Hair Shampoo, Moisturising Soaps, Acitretin Capsules IP, Itraconazole Capsules BP, Luliconazole, Minoxidil and Finasteride Topical Solution, etc., consider your search to have ended as our product range can definitely take care of all your needs. Being a supplier and a trader of the most prominent health care products, we understand the responsibility we fulfill profoundly, and hence we profess comprehensive strategic planning and market research to serve our customers better.

Health care products witness an unwavering demand irrespective of the economic climate of the country, and to fulfill such demands round the year we have invested in an extensive warehouse facility, where we house all our procured products and supply as and when the demand arises. Our warehouse facility has been developed keeping the storage needs of all the products we sell in perspective, and hence all these products remain in their effective form when in storage. Our team of professionals keeps an ardent eye on the duration of the effective use of the product and ensures that expired products are taken out of the warehouse.

Pooja Pharma holds profound experience in the pharmacy industry, having been established in the year 1995 and serving the needs of their customers ever since. Over the years, we have been able to develop an expansive understanding of the needs that circulate in the market and procure products accordingly. We operate from our headquarter in Chennai, Tamil Nadu, and serve the roles of being a supplier and trader. Our goodwill in the market is a result of the years worth of hard work. Such keen attention to detail ensures that all our customers are always satisfied with our products. Our extensive range of offerings include Acitretin Capsules IP, Moisturising Soap, Itraconazole Capsules BP, Minoxidil and Finasteride Topical Solution 5.0% W-V USP, etc.
