About Us

Established in 2018, Abteck Automation Pvt. Ltd. is a reputed name in the market that specializes in designing and producing high-quality sliding gates, doors and automatic boom barriers for various spaces. We are an eminent manufacturer and supplier of Sliding Gate, Roll Up Industrial Door, Manual Sliding MS Industrial Gate, Dorma Sliding Operator Door and other products. These are recognised in the market for their durability, modern design, rust-proof surface, splendid finishing, and many other features. We use state-of-the-art technology and the quality assured materials to fabricate these products. Our offered products can be customized in accordance with the specifications of our clients. Our products are delivered to our customers with the help of our excellent distribution system which is operated by a team of logistics experts. In addition to our products, we also offer installation and maintenance services of them to our customers.

In five years of existence in the market, we have established a strong reputation with our products and focus on gaining customer satisfaction. We have developed an effective customer support division, which is run by a team of customer support professionals. They make sure to solve their queries on time and provide excellent support. Furthermore, we also implement a set of values in our operations including honesty, loyalty and integrity to enhance the experience of our customers.
