**INSULATION INSPECTION PLUG**

**SILICONE INSPECTION PLUGS WITH LANYARD**

**NON DESTRUCTIVE INSULATION INSPECTION PLUG**

## About Us

Kundar Technoplast Private Limited is a well-recognized company that was established in the year 2013 in Mumbai, Maharashtra (India). By providing a diverse range of the highest quality products, such as Insulation Inspection Plugs, Insulation Metal Jacketing and Fittings, Fasteners, Expansion Springs etc., we have become a renowned manufacturer, exporter, and supplier in the market. The complete product line is designed and manufactured using optimum quality raw materials under the supervision of a well-qualified quality management team. Advanced equipment and the latest technology are used to manufacture these goods in accordance with international quality standards. The highest quality standards which we follow during the work assist us in achieving long-term business goals and customer contentment.

Along with quality, we also focus on customer satisfaction, for which we have formed a separate customer relationship management team that helps foster our relationships with the patrons. Additionally, it is because of their intelligence that our long-term relationships with the vendors and brand presence make us a reliable name in the domestic market.
