About Us

Dashmesh Tyre Company are known as a dependable trader and supplier of Singham E Rickshaw, Ele Battery Operated E Rickshaw, Yatri E Loader, Yatri E Loader, Baxy Express CNG Auto Rickshaw, and more. The manufacturers we procure these products from use high-quality raw-materials and innovative technologies to create these items. Every single one of these products was made in compliance with industry standards. Consumers praise the advantages of the offered products, which include sturdy design, excellent efficacy, enhanced performance, and lower maintenance expenses.

Competitive market rates for these products are offered to our clients, and the prompt completion of all projects is guaranteed by our robust logistics and distribution network system. We have built a solid name in the industry over the years, owing to our dedication and commitment to quality. Our goal is to provide our clients and the community with superior, long-term tangible solution, and superior advantages. We achieve this by using a synergistic strategy to continue producing value for clients without compromising our basic beliefs.
