About Us

In a short period of time, we, Oscine Trading Private Limited have become a major part in the Indian agriculture sector by dealing in fresh agro items. Associated with the leading producers of the country, our organization is successfully fulfilling the requirements of the buyers by delivering fresh & pure Natural Black Pepper, Natural Cinnamon Stick, Fresh Cashew Nut, Natural Dry Raisin, Fresh Green Cardamom and allied goods. We are thankful to our vendors that due to their immense support, we are able to introduce quality assured products in the national market. The hard work we have been putting in our jobs since our inception enable us to achieve a noted position of trader and supplier in the industry.

As a newly launched firm, we are trying our level best to bring forth top-notch agro products which match the standards of the customers. For this reason, we have collaborated with the most experienced and prestigious manufacturing companies of India. To reach the top-most position in the industry, we put our heart & soul in each & every task and ensure to achieve the set goals efficiently.
