About Us

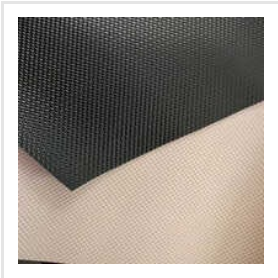

Products like Leather Fabrics and PVC Leather Fabrics are widely used and demanded for crafting apparels, accessories, auto parts, furniture, etc. Whether one is interested in buying genuine leather or PVC leather that also has the look and feel of real leather, we, Rock Uniquoters LLP, are here to meet their need. As a quality conscious manufacturer, exporter and supplier, we can produce products that comply with established norms, are easier to clean and maintain, and can withstand wear and tear and look as good as new, even after years of use. We have a large stock and can design products in both glossy or matte leather-like appearance as per the specific needs and requests of our clients.

Rock Uniquoters LLP is a Tankara, Gujarat, India based company dealing in the finest quality PVC Leather Fabrics, Leather Fabrics, etc. Under the brand name of Arton, we produce high-quality fabric materials that are not only aesthetically pleasing but also durable and sustainable. Continuous improvement efforts are exerted by our engineers, designers and quality inspectors so that what we manufacture and market products that score high in terms of aesthetics, quality and durability. We assure that our products are free of surface irregularities, air bubbles, scars, and discolorations of any kind, and are delivered in exact measurements as demanded by the buyer.
