PIPE FITTINGS PVT. LTD.

**"Water is the Driving Force
of All Nature."**

Earth Water Pipe Fitting Pvt. Ltd., an ISO-certified company based in Rajkot, Gujarat, specializes in manufacturing high-quality plastic pipes and pipe fittings for various water-related applications. Our products cater to House Water Connections, Agriculture, Drainage, Plumbing, the Jal Jeevan Mission, and FHTC connections, among others.

Founded in 2023 by **Mr. Sanjay S. Patel** and **Mr. Pankaj S. Patel**, **Earth Water Pipe Fitting Pvt. Ltd.** represents a merger of expertise and experience. Mr. Pankaj Patel previously established Excel Polyplast in 2013, and Mr. Sanjay Patel founded Excel Polymers in 2014.

Both Excel Polyplast and Excel Polymers have been renowned for producing a wide range of products, including PP Saddles, MDPE Pipes and Fittings, Integrated Saddles, Brass Ferrules, SS Flow Control Valves, D-Joints, Foot Valves, Open Well Strainers, HDPE Pipes and Fittings, and various items for the Jal Jeevan Mission.

In 2023, **Earth Water Pipe Fitting Pvt. Ltd.** acquired both Excel Polyplast and Excel Polymers, consolidating their operations and continuing their legacy of excellence in the manufacturing of water-related plastic pipes and fittings.
