About Us

Undoubtedly, there is a persistent requirement for various products and services related to swimming pools, and our company, Pratyaksh Pool Care has been completing them with out unique solutions. Since the year we began conducting business in the year 2010, we have experienced great progress due to the extensive selection of products we provide as a manufacturer and supplier. Customers may get a wide range of distinctive goods from us at the most competitive rates, like Swimming Pool Loop Shape Ladder, Swimming Pool LED Underwater Light, Swimming Pool Vacuum Hose Pipe, Swimming Pool Steam Bath Generator, Heavy Duty Vortex Air Blower, etc. In addition, we operate as a service provider and offer top-notch services like Swimming Pool Excavation Services, Swimming Pool Waterproofing Services, etc.

Our primary focus is always ensuring that our customers are satisfied, and as a business that prioritises their needs, we go above and beyond to accomplish this. From the time we receive the orders from customers until they are duly completed, we ensure their complete satisfaction. All of the products we provide to customers, such as Swimming Pool LED Underwater Light, Swimming Pool Steam Bath Generator, Swimming Pool Loop Shape Ladder, Heavy Duty Vortex Air Blower, Swimming Pool Vacuum Hose Pipe, etc., are thoroughly inspected for quality. When determining the pricing range for our products, we also take the interests of the customers into account. Furthermore, we put a lot of effort into quickly fulfilling the customer requests.
