## About Us

Quality has always been the hallmark of Kapadiya Expo Company. It is one of the primary principles that guide our actions as a manufacturer and exporter to offer our clients the best-in-class range of products and services. Besides, we ensure that our goods comply with the International quality standards and are safe for the consumers. From Barley Leaves Powder to Organic Moringa Capsules, Castor Seeds to Neem Seeds, Alfalfa Leaves to Mint Powder and Basil Seeds to Essential Oil, we offer a wide variety of natural goods at budget-friendly prices. In addition to these, our product portfolio includes Aloe Vera Gel, Moringa Soap, Dried Apple Slice, Basmati Rice, Fresh Potato, Fresh Mango, Dehydrated Potato and more, as well.

Our young and knowledgeable entrepreneur Mr. Kapadiya laid the foundation of a solid business, Kapadiya Expo Company in 2022 at a prime location in Mahuva district of Indian state, Gujarat. His keen interest in the export domain of spices, herbs, pulses, fresh and dehydrated fruits and vegetables led to the birth of our beautiful business voyage in this business line. Initially, our work began on a small scale to offer quality-marked products and services to our esteemed clients Nationally and Internationally. Later, we experienced how customers were tremendously contended with us. This led to an increase in the demands of our Neem Seeds, Moringa Soap, Mint Powder, Basmati Rice, Essential Oil, Dehydrated Potato and other products, we accelerated our production rate.
