## About Us

We, Raj Enterprise, are a customer-driven business that was founded in Ahmedabad in 2016. We specialise as a trader and supplier by offering Strong Seal Bronze 3200 Silicone Sealant, Dowsil Neutral Plus Silicone Sealant, Metal Alloy Silicone Gun, High Adhesive Vhb Tape, etc. We are able to supply these products on schedule and in a range of specifications thanks to the help of our vendors. These products are highly sought after because of their enduring design, little maintenance needs, and extended useful lifetimes. Under the leadership of Mr. Yusuf Bharmal (Owner), we have had success meeting a range of consumer needs right away. Buyers who have given us a chance of serving them have been satisfied, which is a testimony to our excellence.

All our team members work in sync with each other, which enables us to serve buyers in the best possible manner. They also keep on inspecting the production plants of the partners to ensure all their team members are strictly adhering to the norms of the respective domain. As a company, we have always proven our worth and are constantly working hard to impress customers.

In 2016, Raj Enterprise, started its operations and established a reliable facility in Ahmedabad, Gujarat, India. At our podium, you can buy Silicon Caulking Gun, Construction Adhesives, Aircraft Silicone Adhesive, RTV Silicone, etc., and other items. We are a quality-driven company, so we inspect the products before they leave our facility. By thoroughly impressing customers, we hope to uphold our excellent reputation in the market. Depending on our clients interests, we can also customize packaging and products. We intend to grow our company by introducing new products and opening more branches across the nation.
