## About Us

Capitalizing on innovations, dedication, fair business policy, we, Wont Industrial Equipments, are engaged in innovating and delivering Material Handling Equipment. Founded by Mr. B.K. Chaudhary and established in the year 2007, we have achieved a strong foothold in the MHE markets. We are reckoned as a top notch manufacturer, trader, wholesaler/distributor, exporter and supplier of Material Handling Equipments. Developed in accordance to ISI and international standards, all our equipment are highly acknowledged for their high performance, increased up time and durability.

We have appointed a diligent team of production managers, engineers and other such people who are involved in developing our range and in delivering the same as per their requirements. The entire team is committed towards offering superior grade products in order to maximize the clients satisfaction. Due to their dedication towards their work, we are able to meet the urgent requirements of our clients. We have the latest packaging and transportation facilities that enable us to deliver our range safely.
