About Us

Sanjani International INC, established in 2020, is a forward-thinking service provider dedicated to enhancing the standards of education and training. Since our inception, the company has focused on delivering comprehensive solutions that support institutions and educators in achieving academic excellence. By blending innovation with best practices, Sanjani International is shaping the future of learning.

The organization offers a diverse range of Education and Training Services including School Admission Consultants, Hostel School, Student Coaching & Training, Educational Institution, Teacher Training Services, Quality School Education and more. Through its teacher training programs, it empowers educators with modern pedagogical techniques and leadership skills. Additionally, we support schools in building quality education frameworks that meet global standards.

With a strong commitment to continuous improvement and learner-centered practices, Sanjani International partners with educational institutions to create impactful learning environments. Our expertise in curriculum design and training ensures that students receive holistic education tailored to modern needs and future challenges.
