About Us

With a mission to provide highly effective medicines, we, Aim Global Alliance, ventured into the pharmaceutical business in 2022. We are a fast-emerging manufacturer, exporter, and trader of effective pharmaceutical medicines, veterinary products and antibacterial drugs. Some of the medicines in our range include Arimee Tablet, Artemisinin Capsules, Artesunate Tablets, and Artesunate Tablets. Our medicines are manufactured in strict compliance with the pharmaceutical industry norms. As we are dealing in medicines we maintain stringent quality standards so that the consumers get the best at reasonable prices. In our team, we have pharmacists who possess complete knowledge of all the medicines in our range. They create effective formulations and minutely check the composition of every batch of medicines produced.

Packaging is also given utmost attention to ensure that each medicine remains in their best condition till the stipulated expiry date. We are an export-oriented company, which is exporting its entire stock to overseas customers. Inquiries from global customers are most welcome!
