## About Us

Bhavya Tech International was incepted in the year 2015 in the national capital, Delhi. We are a reputed manufacturer, supplier and trader of Standard Hand Pallet Truck, Office Passenger Elevator, Hydraulic Wall Mounted Lift, Hydraulic Wheelchair Lift and many other similar products. These lifts are recognised in the market due to their excellent design, durability, top-notch functionality, ability to bear loads, and sophisticated technology. We fabricate these products using premium raw materials that come from reliable market suppliers. The dimensions, sizes, and shapes of our items can be customized to the needs of the customer. We have a sizable storage area where we can carry out operations such as product labelling, packaging, and storage for our manufactured goods.

Over a period of eight years of existence, Bhavya Tech International has mustered a strong base of customers due to its ethical trade practices. We make sure to implement the latest innovations in order to cater to the demands of our customers. Also, our company makes various attempts to ensure that our clients have a positive experience of dealing with us. Our elevator range is quality checked and made in accordance with standards to ensure that our customers are satisfied. Furthermore, our business pays attention to the requirements of the customers and creates products in accordance with those needs. By always supporting our clients and responding to their inquiries as soon as possible, we develop good relationships with them.
