About Us

We, Adarsh Distributors, are a recently established company offering a premium range of pharma products. Our company is working as a manufacturer and supplier of NO B Powder, Povidone Iodine Solutions, NO B Handwash, NO B Iodine Germicide Gargle, Antiseptic Liquid, ORB Powder, etc. These products are highly effective and safe to use. We are committed to ensuring the highest quality standards in all the products that are delivered to our customers located in different parts of India. Our company is committed to developing antiseptic liquids, powder and other pharma products that are effective at killing harmful bacteria and viruses while being gentle on the skin.

We recognize the significance of maintaining good hygiene as the transmission of infectious illnesses is a major concern in the current world. As a result, we make certain that our products are made with only the finest ingredients and meet the highest quality and safety standards. Our expert team constantly explores new opportunities and creates highly effective pharma products to meet the ever-changing requirements of customers. We are proud of our cutting-edge manufacturing facility, which is outfitted with cutting-edge technology tools and equipment to produce the highest quality products.
