About Us

Skies Tech Products Pvt. Ltd. was started with the believe that good health is a foundation for happy life. We are engaged in selling a range of medical supplies that provide people with the access to the tools they need for a healthier life. We are the first Blood Administration Set Manufacturers in the Pune local territory. We develop our every item including the Blood Transfusion Set, Blood IV Set, Silicone Ryles Tube, Twin Bore Nasal Cannula, Yankaur Suction Set, Intravenous Infusion Set, and many other from supreme-quality materials hence you do not need to worry about the quality. We also provide our customers with users guide, which gives detailed instructions so that you do not get confused about the right usage.

We, Skies Tech Products Pvt. Ltd., started our operations from a small setup in Pune, Maharashtra, India. Currently, we are globally renowned for manufacturing and exporting Blood Transfusion Set, Blood IV Set, Twin Bore Nasal Cannula, Disposable Cord Clamp, Surgical Disposables, Feeding Tubes, and many other medical products.
