About Us

In the Indian metropolis of Chennai, Tamil Nadu, Samkit Imaging System Pvt. Ltd., led by the visionary Mr. Abhay Jain, is a renowned manufacturer and supplier. Since its founding in 1979, this pioneering business has constantly provided cutting-edge imaging solutions to a variety of industries. Our success lies in an unwavering commitment to excellence. The extensive product range showcases an impressive fusion of innovation and quality. From the mesmerizing White Opaque Films to the captivating Metallic Films, we offer a diverse selection that caters to every creative need. The Matte Adhesive and the Chromo Adhesive products ensure seamless application for empowering artists and designers to bring their visions to life.

Pioneering the realm of transfer papers, we offer Ceramic Transfer Papers and T-shirt Transfer Papers that revolutionize the art of customization. Our Cast Coated Media and Pearjet Matte Films raise the bar for print media for enabling impeccable results that leave a lasting impression. Moreover, our Inkjet Printable Films offer endless possibilities for digital printing enthusiasts. With an esteemed reputation and a customer-centric approach, we have established strong partnerships and garnered trust from clients worldwide. Our commitment to innovation, reliability, and customer satisfaction have made us an industry leader in our domain of business. We are not just a company but also a beacon of creativity for inspiring individuals and businesses to achieve greatness through the power of imaging.
